

# FACILITIES DEVELOPMENT MANUAL

Wisconsin Department of Transportation

## TABLE OF CONTENTS

### Chapter 17: Railroad Coordination

#### **Section 17-1 Overview**

- [17-1-1](#) ..... General
  - [1.1](#) ..... Originator
  - [1.2](#) ..... Introduction
  - [1.3](#) ..... Policy Interpretation
  - [1.4](#) ..... Goal of Railroad Coordination
- [Attachment 1.1](#) ..... Terms And Abbreviations
- [17-1-5](#) ..... The WisDOT/Railroad Partnership
- [17-1-10](#) ..... The WisDOT/OCR Partnership
  - [10.1](#) ..... Introduction
  - [10.2](#) ..... OCR Powers

#### **Section 17-5 Background**

- [17-5-1](#) ..... Sources and Types of Railroad Projects
  - [1.1](#) ..... Improvement Projects
  - [1.2](#) ..... Other Projects
  - [1.3](#) ..... Railroad Status Report
- [Attachment 1.1](#) ..... Railroad-Highway Projects, Status Report Flow Chart
- [17-5-5](#) ..... Relevant Statutes ..... [updated 8/10](#)
  - [5.1](#) ..... Introduction
  - [5.2](#) ..... Legislation
  - [5.3](#) ..... OCR Regulatory Activities
- [17-5-10](#) ..... Negotiating Guidelines
- [17-5-15](#) ..... Manuals and Textbooks
  - [15.1](#) ..... Manuals
  - [15.2](#) ..... Textbooks
- [17-5-20](#) ..... Data Sources
  - [20.1](#) ..... Introduction
  - [20.2](#) ..... Background
  - [20.3](#) ..... WisDOT Railroad Data File

#### **Section 17-10 Agency Responsibilities**

- [17-10-1](#) ..... Role of the Region Railroad Coordinator
  - [1.1](#) ..... Position Summary
- [17-10-5](#) ..... Role of Project Managers
  - [5.1](#) ..... Overview
- [17-10-7](#) ..... Role of Local Program Management Consultant
  - [7.1](#) ..... Introduction
  - [7.2](#) ..... Pre-Design Contract Activities
  - [7.3](#) ..... Design Contract Activities
  - [7.4](#) ..... Post Design Activities .....
- [17-10-10](#) ..... WisDOT
  - [10.1](#) ..... Bureau of Railroads and Harbors
  - [10.2](#) ..... Transportation Regions
  - [10.3](#) ..... Engineering Consultants
  - [10.4](#) ..... Local Officials
  - [10.5](#) ..... Summary Note
- [Attachment 10.1](#) ..... Principal Offices Involved With Railroad-Highway Projects
- [17-10-15](#) ..... Office of the Commissioner of Railroads
  - [15.1](#) ..... Background

- [15.2](#).....Office of the Commissioner of Railroads (OCR)
- [15.3](#)..... WisDOT Role
- [15.4](#)..... OCR Hearings
- [Attachment 15.1](#)....Preparation for Hearings
- [Attachment 15.2](#)....Example Testimony
- [17-10-20](#) .....Railroads
  - [20.1](#)..... Personnel
  - [20.2](#)..... Maps
  - [20.3](#)..... Background
  - [20.4](#)..... Work Arrangements
  - [20.5](#)..... Maintenance
  - [Attachment 20.1](#)....Legal Names of Railroad Companies Operating In Wisconsin
- [17-10-25](#) .....Federal Agencies
  - [25.1](#)..... FHWA (Federal Highway Administration)
  - [25.2](#)..... FRA (Federal Railroad Administration)
  - [25.3](#)..... STB (Surface Transportation Board)
  - [25.4](#)..... NTSB (National Transportation Safety Board)
- [17-10-30](#) .....Local Government
  - [30.1](#)..... Introduction
  - [30.2](#)..... Negotiations and Agreements
  - [30.3](#)..... Local Costs

**Section 17-15 Types of Programs**

- [17-15-1](#) .....General Overview
  - [1.1](#).....Highway Improvement Program
    - [1.1.1](#) ..... Transverse Facility Crossings of Railroad Land
  - [1.2](#)..... WisDOT Safety Program
  - [1.3](#)..... OCR Safety Program
  - [1.4](#)..... STH Surface Repair
  - [1.5](#)..... Signal Maintenance

**Section 17-20 Implementing Projects**

- [17-20-1](#) .....General..... [updated 8/10](#)
  - [1.1](#)..... Early Notification
  - [1.2](#)..... The 86:13 Letter/Notification
  - [Attachment 1.1](#).....Process that is followed for a Highway Improvement Project with a Railroad Crossing but No Railroad Work is Anticipated
  - [Attachment 1.2](#)..... Sample 86.13 Letter
- [17-20-5](#) .....Project Scheduling..... [updated 8/10](#)
  - [5.1](#)..... Introduction
  - [5.2](#)..... The Master Contract Schedule
  - [5.3](#)..... The Railroad Status Report
  - [5.4](#)..... Scheduling Criteria
  - [Attachment 5.1](#)..... Estimated Minimum Lead Times For Railroad Projects
- [17-20-10](#) .....The Agreement..... [updated 8/10](#)
  - [10.1](#)..... Introduction
  - [10.2](#)..... Overview
  - [10.3](#)..... Railroad Project Submittal Package
  - [10.4](#)..... OCR Petition
  - [10.5](#)..... The Proposal Letter
  - [10.6](#)..... The Agreement
  - [10.7](#)..... Contents of the Agreement
  - [10.8](#)..... Distribution of the Agreement
- [17-20-15](#) .....Letter Agreements ..... [updated 8/10](#)
  - [Attachment 15.1](#).... Sample Of Letter Agreement With Railroad (Lump Sum)
  - [Attachment 15.2](#).... Sample Of Letter Agreement With Railroad (Design Approval)
  - [Attachment 15.3](#).... Sample Of Letter Seeking Railroad Approval of Contractor Work
  - [Attachment 15.4](#).... Sample Of Letter Proposing WisDOT Work in Track Zone in Exchange for Railroad Providing Flagging Protection

[Attachment 15.5](#)..... Sample Of Letter Proposing WisDOT Remove and Restore a Little-Used Track Crossing  
[17-20-20](#) ..... Detours and Haul Roads ..... [updated 8/10](#)  
     [20.1](#)..... General  
     [20.2](#)..... Detour Options  
     [20.3](#)..... Isolated Crossings on Safety Projects  
     [20.4](#)..... Highway Improvement Projects  
         [20.4.1](#) ..... Haul Roads  
         [20.4.2](#) ..... Detour Routes

**Section 17-25 Active Warning Device Projects**

[17-25-1](#) ..... General  
     [1.1](#)..... Background  
     [1.2](#)..... General  
     [1.3](#)..... Process  
     [1.4](#)..... Lead Times  
     [Attachment 1.1](#)..... Sample Agreement for Highway-Railroad Grade Crossing Warning Devices  
     [Attachment 1.2](#)..... Railroad Crossing Report Form, DT 1589  
[17-25-5](#) ..... Highway Improvement Projects  
     [5.1](#)..... Introduction  
     [5.2](#)..... Lead Times  
     [5.3](#)..... Process  
     [Attachment 5.1](#)..... Process that is followed for a Highway Improvement Project with an At Grade Railroad Component  
[17-25-10](#) ..... WisDOT Safety Projects  
     [10.1](#)..... Introduction  
     [10.2](#)..... General  
     [10.3](#)..... OCR Involvement  
     [Attachment 10.1](#)..... Process that is followed for a WisDOT Railroad Safety Project (RR Force Work Component)  
[17-25-15](#) ..... OCR Safety Projects  
     [15.1](#)..... Introduction  
     [15.2](#)..... General  
     [15.3](#)..... WisDOT Assistance  
     [Attachment 15.1](#)..... Process that is followed for an OCR Railroad Safety Project (RR Force Work Component)

**Section 17-30 Crossing Surface Projects**

[17-30-1](#) ..... General - Criteria  
     [1.1](#)..... Background  
     [1.2](#)..... Maintenance / Repair / Refurbishing  
     [1.3](#)..... Replacement  
     [1.4](#)..... Improvement or Upgrade  
     [1.5](#)..... Alteration of a Crossing  
     [1.6](#)..... Roadway Improvement (Reconstruction and 3R) Projects  
     [1.7](#)..... Roadway Maintenance (SHRM and Federal Preventive Maintenance) Projects  
     [1.8](#)..... Safety Projects  
[17-30-5](#) ..... Highway Improvement Programs  
     [5.1](#)..... General  
     [5.2](#)..... Unique Agreement Provisions  
     [Attachment 5.1](#)..... Sample Agreement for Highway-Railroad Grade Crossing Surface - Highway Improvement Program  
[17-30-10](#) ..... WisDOT Safety Project  
     [10.1](#)..... Background  
     [Attachment 10.1](#)..... Sample Agreement for Highway-Railroad Grade Crossing Surface - WisDOT Safety Project  
[17-30-15](#) ..... STH Surface Repair Program  
     [15.1](#)..... Introduction  
     [15.2](#)..... Process  
     [15.3](#)..... Limits of Cost Participation  
         [15.3.1](#) ..... Labor or material costs eligible for reimbursement:

- [15.3.2](#) ..... Labor or material costs not eligible for reimbursement:
- [15.4](#).....Charging Costs
- [Attachment 15.1](#).... Process for a Crossing Repair Fund Project (No Federal Funds)
- [Attachment 15.2](#).... Sample Agreement for a Railroad Crossing Repair Fund Project

**Section 17-35 Crossing Closure and Consolidation**

- [17-35-1](#) .....Overview
  - [1.1](#).....Background
  - [1.2](#).....Guidance
  - [1.3](#).....Options
  - [1.4](#).....Incentives
  - [1.5](#).....Process
  - [1.6](#).....Payment
- [Attachment 1.1](#)..... Crossing Closure Incentive Payment Project Process

**Section 17-40 Separation Projects**

- [17-40-1](#) .....Overview
  - [1.1](#).....General
  - [1.2](#).....Lead Times
    - [1.2.1](#) .....Highway Overpass
    - [1.2.2](#) .....Highway Underpass
  - [1.3](#).....Submittals For Railroad Coordination
- [Attachment 1.1](#)..... Process When The Railroad is Willing to Sign The Stipulation
- [Attachment 1.2](#)..... Process When The Railroad is Unwilling to Sign The Stipulation
- [Attachment 1.3](#)..... Process For <23' Vertical Clearance
- [Attachment 1.4](#)..... Separated Grade Railroad Project Submittal Package
- [17-40-5](#) ..... Structure Criteria/Justification
  - [5.1](#).....Options
  - [5.2](#).....General Criteria
  - [5.3](#).....Other Criteria
  - [5.4](#).....Railroad Participation in Costs
  - [5.5](#).....Analysis of Alternatives
  - [5.6](#).....Selected Alternative.
- [17-40-10](#) ..... Alternatives to Structures
  - [10.1](#).....General
  - [10.2](#).....Create An At-Grade Crossing
  - [10.3](#).....Highway Relocation
  - [10.4](#).....Railroad Relocation
  - [10.5](#).....Crossing Closure
- [17-40-15](#) ..... Bridge Replacement Program
- [17-40-20](#) ..... Structure Agreements
  - [20.1](#).....General
  - [20.2](#).....Stipulation Process
  - [20.3](#).....Agreement For Railroad Force Work
  - [20.4](#).....Structures On The Local System
- [17-40-25](#) ..... Costs/Cost Sharing
  - [25.1](#).....Background
  - [25.2](#).....Railroad Participation
  - [25.3](#).....Projects on the Local System
  - [25.4](#).....Current Practice In Cost Sharing
  - [25.5](#).....5 – Options-Grade Separations
  - [25.6](#).....Summary
  - [25.7](#).....Conclusions
- [17-40-30](#) ..... Structure On Local System
  - [30.1](#).....General
  - [30.2](#).....Interim Design Memo
  - [30.3](#).....Alternative Selection
- [17-40-35](#) ..... Underpass Structures
  - [35.1](#).....General

- [35.2](#)..... Underpass Structures
- [35.3](#)..... Maintaining Railroad Traffic During Underpass Construction
- [35.4](#)..... False Work Bridge
- [Attachment 35.1](#).... General Shoo-Fly Case
- [17-40-40](#) ..... Miscellaneous Structure Provisions
  - [40.1](#)..... Excessive Clearances
  - [40.2](#)..... Additional Track Space
  - [40.3](#)..... Crash Walls

**Section 17-45 Other Safety Funded Projects**

- [17-45-1](#) ..... Stopping Lanes
- [17-45-1](#) ..... Stopping Lanes
- [17-45-5](#) ..... Roadway Treatments at Closures
- [17-45-10](#) ..... Humpback and Sag Crossings
- [17-45-15](#) ..... Track Removals and Modifications
- [17-45-20](#) ..... Enhancement Projects
  - [20.1](#)..... Historical Preservation
  - [20.2](#)..... Bike and Pedestrian Crossings
- [17-45-25](#) ..... Exempt Crossings
  - [25.1](#)..... Background
  - [25.2](#)..... Criteria for Selection
  - [25.3](#)..... Summary
  - [25.4](#)..... Exempt Signing
- [Attachment 25.1](#).... Exempt Railroad Crossing Process

**Section 17-50 Contract Administration**

- [17-50-1](#) ..... General
  - [1.1](#)..... Introduction
  - [1.2](#)..... Cost Principles
- [17-50-5](#) ..... Railroad Protective Liability Insurance..... [updated 7/11](#)
  - [5.1](#)..... Background
  - [5.2](#)..... When to Provide Insurance
  - [5.3](#)..... Leased Lines
  - [5.4](#)..... Operating Rights
  - [5.5](#)..... Special Provisions

**Section 17-55 Property**

- [17-55-1](#) ..... General
  - [1.1](#)..... Background
  - [1.2](#)..... Entering Railroad Lands
  - [1.3](#)..... Indemnification
- [17-55-5](#) ..... Acquisitions
  - [5.1](#)..... Background
- [17-55-10](#) ..... Responsibilities for Acquisitions
  - [10.1](#)..... Acquisition
  - [10.2](#)..... Responsibility for Property Negotiations
    - [10.2.1](#) ..... Bureau of Railroads and Harbors (BRH)
    - [10.2.2](#) ..... Region
  - [10.3](#)..... What's Needed
    - [10.3.1](#) ..... Local Agencies
- [17-55-15](#) ..... Determining Compensation
  - [15.1](#)..... Classification of Railroad Right of Way and Lands
    - [15.1.1](#) ..... Railroad Operating Right of Way and Lands
    - [15.1.2](#) ..... Railroad Non-operating Right of Way and Lands
  - [15.2](#)..... Procedure for Determining Compensation
    - [15.2.1](#) ..... Parcels Under \$1,500
    - [15.2.2](#) ..... Parcels \$-\$1,500-\$5,000
    - [15.2.3](#) ..... Parcels over \$5,000
  - [15.3](#)..... Easement Valuation

[15.3.1](#) ..... Region, in Consultation with BRH if necessary

[15.3.2](#) ..... Bureau of Railroads and Harbors

[15.4](#).....Administrative Revisions

**Section 17-60 Design Considerations**

[17-60-1](#) .....Locating New Highway - Railroad Grade Crossings

[1.1](#).....Introduction

[1.2](#).....Location Considerations

[1.3](#).....Roadways Paralleling Railroads

[1.4](#).....Roadways Near Railroads

[17-60-5](#) .....Grade Crossing Design

[5.1](#).....Surveys and Plans

[5.2](#)..... Visibility and Sight Distances

[5.3](#).....Profile

[5.4](#)..... Track Raises

[5.4.1](#) ..... Initiated By Railroad

[5.4.2](#) ..... Initiated by WisDOT

[5.5](#).....Approaches

[5.6](#).....Welded Rails

[5.7](#).....Drainage and Crossing Stability

[Attachment 5.1](#).....Examples of Allowable Roadway Grade Variation

[Attachment 5.2](#).....Runout Distance D on Approach to Track

[17-60-10](#) .....Railroad Design Considerations

[10.1](#).....General

[10.2](#).....Clearance Considerations

[10.3](#).....Statutory Clearances

[10.4](#).....Clearances Desired by Railroad

[10.5](#).....Temporary Clearances

[17-60-15](#) .....Signing at Crossings

[15.1](#).....Introduction

[15.2](#).....Railroad Crossing Signs

[15.3](#).....Pavement Markings

[15.4](#).....Stop Signs and Yield Signs

[15.5](#)....."Tracks Out of Service" Signs

[15.6](#)....."Exempt" Signs

[17-60-20](#) .....Warning Devices and Systems

[20.1](#).....Introduction:

[20.2](#).....Train Activated Signals

[20.3](#).....Control Equipment

[20.4](#).....Placement of Signs and Signals

[20.5](#).....Protection of Signals

[Attachment 20.1](#)....Flashing Light Signals, Side of Road - Rural and Urban Roadway

[17-60-25](#) .....Pre-emption/Interconnects

[25.1](#).....Preemption/Interconnection of Traffic Control Signals

[17-60-30](#) .....Crossing Surface Types

[30.1](#).....General

[30.2](#).....Current Standard Crossing Surface

[30.3](#).....Selecting A Crossing Surface

[17-60-35](#) .....Miscellaneous

[35.1](#).....Controlled Train Movements

[35.2](#).....Lighting Crossings

[35.3](#).....Other Safety Devices

[17-60-40](#) .....High-Speed Passenger Rail

[Attachment 40.1](#)....Midwest Regional Rail Initiative, Wisconsin's Portion

[17-60-45](#) .....Transverse Facility Crossings

[45.1](#).....General

[45.2](#).....Public Utilities vs. Highway Appurtenances

[45.2.1](#) .....Public Utility

- [45.2.2](#) ..... Highway Appurtenances
- [45.3](#)..... State vs Private Railroad Corridors
  - [45.3.1](#) ..... State Owned Railroad Corridors
  - [45.3.2](#) ..... Privately Owned Railroad Corridors
- [45.4](#)..... Installation
  - [45.4.1](#) ..... Under-track crossings
  - [45.4.2](#) ..... Culvert installations
  - [45.4.3](#) ..... Aerial track crossings
  - [45.4.4](#) ..... Flagging
- [45.5](#)..... References
- [Attachment 45.1](#).... Transverse Facility Decision Process Flow Chart
- [Attachment 45.2](#).... Sample Railroad Notification Letter
